Ms. Marlene H. Dortch Secretary Federal Communications Commission 445 12th Street, S.W. Washington, D.C. 20554

Re: *Notice of Ex Parte Presentation*, Review of the Spectrum Sharing Plan Among Non-Geostationary Satellite Orbit Mobile Satellite Service Systems in the 1.6/2.4 GHz Bands, IB Docket No. 02-364.

Dear Ms. Dortch:

On June 3, 2004, Tyrone Brown and Mark Adams of Iridium Satellite, LLC ("Iridium") and Mike Senkowski and Mary Jo Manning, as counsel for Iridium, met with Commissioner Michael Copps and Paul Margie, Legal Advisor to Commissioner Copps.

At this meeting, Iridium repeated its arguments that the FCC should re-balance the Big LEO band to award Iridium additional spectrum consistent with the attached spectrum chart (Attachment 1). Iridium also refuted Globalstar LLC's ("Globalstar") claims that Iridium does not need additional spectrum and that Iridium is not utilizing its existing spectrum in an efficient manner.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. §1.1206(b)(2) (*incorporating* 47 C.F.R. §1.49), a copy of this letter and the attached proposed spectrum plan are being filed electronically for inclusion in the abovenoted docket. Please feel free to contact me if you have any questions regarding this matter.

Sincerely,

/s/ Mike Senkowski_

R. Michael Senkowski Counsel for Iridium Satellite, LLC
